Dear Thunderbolt Families,

We would like to provide a follow-up to today's early release.

Law enforcement has completed a thorough search of our school buildings and has found no credible threat. Our buildings have been secured, and we have been cleared to resume normal operations. While there is no ongoing safety concern, law enforcement will continue to investigate the source of the reported threat.

School will resume as normal on Thursday, February 5, 2026.

We appreciate your patience, understanding, and cooperation during this situation. The safety of our students and staff remains our highest priority, and we are grateful for the continued partnership between our families, staff, and local law enforcement.

If you have any questions or concerns, please do not hesitate to reach out to the school office.

Sincerely,  
Mio AuSable Schools Administrative Team
