- Headphones (not earbuds or wireless)
- Gym shoes (if your child does not tie on their own, please send velcro)
- Backpack (large enough to hold a 12" folder, snow pants, and boots)

Wish List Items for the Whole Class:

WELCOME TO FIFTH GRADE!

Dear 5th Grade Families,

I wanted to take this opportunity to introduce Mr. Lubitz and myself (Mrs. Donnelly) and express our excitement about working with you and your child this school year. We know that the first few days of school are filled with mixed emotions, but we can guarantee that if we work together, this will be the best year yet.

This year is going to be filled with a lot of exciting new opportunities for your 5th grader to grow as an individual, and as a part of the learning community. In addition to learning new information and skills in various content areas, we will focus on developing our critical thinking skills, organizational strategies, as well as many other tools that will support your fifth grader as they continue to grow both inside and outside of the classroom. This new year, Mr. Lubitz will be teaching math and science to both classes, and I will be teaching ELA to both classes. We will be teaching Social Studies to our homeroom students.

Please do not hesitate to reach out to us with any questions or concerns that you may have throughout the year. Looking forward to an exciting year together. Below you will find the supplies needed for this next school year.

All the Best,
