HOMECOMING KING AND QUEEN

And with that the 2026-27 homecoming season is finally over. After a week of fun with fun dress up days, the mock olympics and a surprise re-visit from Dolly parton, came the school's annual beautiful homecoming. Another wonderful year under the music with friends, snacks and way too many photos, topping it all off with our homecoming king and queens dance; Mylee Kann and Brock Stewart. Both wonderful people that truly deserved this year's win, with Mylee always known for her compassion and constant willingness to do anything to help others, along with Brock's keen sense of humor, we all knew who was truly winning this year. The other amazing runners included the amazing Zoey Yoder, Alayah Welzin and the one and only Joey. Well I sure hope you all had a fantastic homecoming and make sure to stop and say hello to Mylee and Brock if you see them.

UPCOMING FOOTBALL GAME

This Saturday, October 17, 2026 the Mio Thunderbolts are traveling down to Ashley Highschool to face the Merrill Vandals. This is a highly anticipated matchup between these two teams with them both having winning records. Merrill's current record is 6-1, but the Thunderbolts are planning on adding a loss to that. The Thunderbolts are 5-2 after playing a season of some pretty decent teams considering both teams they lost to were highly ranked in their division. This game is one of the top matchups in 8-man football this week. Make sure you make the journey down to Ashley Highschool to watch these two teams go at it.

THEATER CLUB'S IMPROV NIGHT

On Oct, 30 2026, MATC (Mio Ausable Theatre Club) is having an improv night lasting from 6:00pm - 7:30pm. Improv night is a fun way to fundraise money to support the theatre club. Since it is a fundraiser, it is by donation to get in. It consists of theatre club members acting out different scenes, making up the lines on the spot. An example of this is new choice. New choice is where a group of people get together to improv a scene and one sits on the side. The one sitting on the side watches the scene being made and if they don't like the line said by one of the others, can say "new choice" to make the last person who said a line create a new line. Since it is so close to Halloween, the audience is welcome to dress in their Halloween costumes. There will also be a chance for audience members to participate in some of the improv scenes.

BOOK REVIEW- THE REMA CHRONICLES: THE REALM OF BLUE MIST

Hello there fellow readers! Today I will be reviewing a book that is interesting, that being the Rema chronicles. This book is the first book of the series. I would rate this book an 8.5 out of 10. The story is about a girl named Tabitha Simmons who isn't able to move on from her father's mysterious death. The mother is upset that Tabitha doesn't like her mother's boyfriend, which. When she goes to a mysterious tree, she sees this weird man who doesn't seem human. The man grabs her and pulls her into a world that does not seem like earth.

Now I won't spoil everything, but if you seem interested in the book, you should check it out at the library or even buy it! That's all I have to say, have a good day.
