VARSITY SPORTS

The Mio Thunderbolts varsity volleyball team traveled to Atlanta High School on Tuesday, September 22, for a regular-season matchup against the Atlanta Huskies. The Thunderbolts battled through three sets but were unable to secure a victory, falling to the Huskies in all three sets. Although the result was not what the Thunderbolts hoped for, the match gave the team another opportunity to compete and gain experience during the regular season. Mio will look to take what they learned from the match and carry it into their upcoming games as they continue through the season.

This Friday Mio will be traveling to Bay City to face the Bay City all saints. In the previous week Mio took a trip to Ferris State to play Mendon. The game was projected to be 42 to 12 with Mendon winning, the final score was 50 to 34. It was a hard fought game between the two teams but Mio's defense was not focused on stopping the run game. This week the internet has Bay city all saints winning over the Mio thunderbolts, Bay city averages 42.0 points per game which is going to be difficult to achieve with the Mio thunderbolts defense holding teams to 29.5 points per game with the exception of the Ferris state game. Due to Mio football's slow first half starts and having to play catch up with the offense, Mio's defense is known for holding teams to very limited points. Come out and support the boys this week in Bay city.

JV FOOTBALL

THE JV MIO THUNDERBOLTS PLAYED AN AWAY GAME AGAINST THE WHITTEMORE CARDINALS ON SEPTEMBER 10TH, BUT SADLY THEY LOST THE GAME 20-6.THE THUNDERBOLTS HAD A TOUGH GAME AGAINST WHITTEMORE. THE CARDINALS WERE ABLE TO SCORE 20 POINTS WHILE MIO ONLY SCORED 6. EVEN THOUGH THE SCORE DIDN'T GO THEIR WAY, THE THUNDERBOLTS KEPT TRYING AND DIDN'T GIVE UP.MIO HAD SOME GOOD PLAYS DURING THE GAME AND SHOWED EFFORT ON BOTH OFFENSE AND DEFENSE. THE TEAM TRIED TO STOP WHITTEMORE FROM SCORING. BUT THE CARDINALS WERE ABLE TO MAKE ENOUGH PLAYS TO GET THE WIN.THE THUNDERBOLTS WILL LOOK TO LEARN FROM THIS GAME AND GET BETTER FOR THEIR NEXT ONE. LOSING IS NEVER FUN, BUT THE TEAM CAN USE THIS GAME TO WORK ON THINGS AND COME BACK STRONGER.OVERALL, IT WAS A HARD-FOUGHT GAME FOR MIO, BUT WHITTEMORE CAME AWAY WITH THE 20-6 WIN.

MIDDLE SCHOOL SPORTS

Both of the middle school Girls volleyball teams have games on Monday, September 21st and Thursday, the 24th. September 21st the girls were up against the Oscoda team. Both of the middle school teams sadly lost.They tried their best. Make sure to give "them a good work" if you see them in the hallway. On the 24th both of them will be up against Alcona.

The mio football team is going to Alcona and they came out ready to play. They won the coin flip and chose to get the ball.so they ended up scoring the first play of the game.The rest of the first half was slow they scored like 2 more touchdowns but the defense held Alcona's offense to 0 for the first half. When the second half started Mio came out and got a stop to get the ball.Mio had there backups in so they didn't score till the fourth quarter Alcona scored onecs.Mio came out with a win but one of Mio players got hurt and we don't know when he will come back.
